

Software Technology Parks of India-Chennai

Procedure for obtaining CG Enhancement

The STP / EHTP units are required to obtain CG value Enhancement, once the unit's utilization reaches 80% of approved CG limit.

List of documents to be submitted to STPI:

1. Request letter
2. CA certified performance details since inception as per Annexure 23A
3. CG Projection Report till the validity of LoP as per Annexure 23B
4. List of Capital Goods proposed to be imported
5. Copy of last CG Enhancement approval issued by STPI

Approval Process:

The documents submitted by the unit will be verified and the Export Obligation will be calculated based on the past performance and future Projections. If the EO is met and reasons for Enhancement is found satisfactory, the request will be processed and CG value will be enhanced & approval will be issued.

For any clarifications;

1. Mail us to chennai.imports1@stpi.in
2. Contact at 044-23703525
